TODAY'S MESSAGE: Welcome to Emmanuel; where we have a white wedding day to look forward to! If we understand prophecy aright as blood bought believers, we do not have doom and gloom to look forward to, but the happiest occasion in eternity! Marriage is important to God, not only as a relationship between a man and a woman, but also as a symbol of our relationship with Him. However, because our wedding customs are not always the same as in Bible times, we may miss some of the imagery He has put in the Bible for us to understand. It was at a wedding that God's Son first showed His power by His first sign--the One who will be our Bridegroom.
