TODAY'S MESSAGE: Welcome to Emmanuel; where we have a record of God's faithfulness to proclaim! When God established the legal principle of two or three witnesses, He gave us the framework to understand John the Baptist's mission of preparing Jesus' way before the people. He is a witness you can believe today. As we come to the gospel of John, we are being invited to consider the witnesses before us and make up our own minds, with the understanding that we will be held accountable to God for our decision. Are you ready for Christ's coming? Have you put away the crooked? Made His paths straight?
