TODAY'S MESSAGE: Welcome to Emmanuel; where we gather for good news! Scripture is more transformative than a force of nature. It changes the way we think about God, ourselves, and the world. In this case, it rewrites our view of history. Christ gave the church the Great Commission to go into all the world and teach everything He had taught the disciples. But most of us think it has been two thousand years, and we are just starting to get close. If we pay close attention to what Jesus is saying here, we learn the world was completely evangelized in the first century due to the sheer power of God. This should encourage us greatly to go out in obedience to Christ to share the Gospel in the power of God.

They help with training the teenagers every spring [Youth In Action] to teach children in 5 Day Clubs during the summer and Good News Clubs during the school year. Ron is also the "Rural Outreach Coordinator" contacting areas where there are no CEF directors. Pray for children to accept the Lord as Savior, for the teens as they teach, for Ron as he coordinates the summer missionaries, 5 Day Clubs and Churches.
