TODAY'S MESSAGE: Welcome to Emmanuel; where we have a Risen Savior to worship and praise! On that first Resurrection Sunday, not only did the disciples lose something: their fear, worry,

and doubt, but they also gained something: the gift of the Holy Spirit to help them in their mission. This intimate moment when Jesus breathed on His disciples brought together two very important events: man's creation and the day of Pentecost. As their Creator, He gave His disciples His Holy Spirit in His breath in a greater way than He had given Adam the breath of life. The gift of salvation is the gift of knowing our Savior, Jesus, forever!

MISSIONARY OF THE MONTH

Aaron and Brenda Miatke with their children, Oliver, Esther, Colette, Jonmarc They are with CRU ministries training students in Universities and Colleges in the area how to share their faith with other students. They hold Bible Studies and plan activities throughout the year. There is now a group at St. Scholastica for the first time. They take students on mission trips during Spring break and during the summer. They also minister to International students. Pray for the Miatkes' as they train these students that many others will come to know Christ. Also pray that the students who go on the Mission trips will be led by God to become Missionaries.
