*2 Timothy 2:15*

**TODAY'S MESSAGE:** .Welcome to Emmanuel; where we seek to rightly divide the word of truth! Jesus had a lot to say by way of prophecy before His sacrificial death for our sins. He spoke not only of the temple's destruction, but

also of the timing around His coming. Some people make mistakes in interpreting this chapter because they are applying it all to the temple's destruction. Other people make mistakes because they are applying it all to His Second Coming. We are seeking to not be ashamed of ourselves as workmen by first understanding that He was answering two separate questions for the disciples. We will find that this clarifies a lot for us and helps us to apply these passages to our lives better.
